**MEMORANDUM OF POINTS AND AUTHORITIES**

Federal Rule of Bankruptcy Procedure Rule 3022.1(e) states: “If the debtor proposes to close the case before plan payments have been completed, and intends to reopen the case after plan completion to obtain a discharge, the debtor shall file a motion to close the case and include in that motion the debtor’s intent to reopen. Upon the filing of a motion to reopen, the debtor shall be required to pay any fees due for reopening the case...” The relevant section of the Bankruptcy Code, Section 350 (a) states: “After an estate is fully administered and the court has discharged the trustee, the court shall close the case.” The Debtor’s Plan of Reorganization was confirmed on August 27, 2013. The case has been fully administered and the Court can enter an order closing the case. The Debtor has complied with all U.S. Trustee reporting requirements and fees. There are no pending contested matters or adversary proceedings. The claims have all been paid or will be paid.

Accordingly, Debtor requests this Court grant this Motion to Administratively Close Bankruptcy.

Respectfully submitted,
